

# Hire me!

Geraldton Senior College has amazing students that are looking for work, apprenticeships, workplace experience, and a way to start their chosen pathway. We work closely with other training organisations such as Durack Institute of Technology to ensure our students have up-to-date information and industry relevant certificates when they finish Year 12.

We also manage a great range of facilities including Geraldton Regional Trade Training Centre (GRTTC).

Did you know that our facilities including the GRTTC are available for hire? We welcome businesses, community groups and individuals to use our facilities for meetings, work, practical applications, training, events, trade shows and more!

Speak with Cameron Todd (Careers and Vocational Education Manager) by ringing 08 9965 8453 or email [cameron.todd@education.wa.edu.au](mailto:cameron.todd@education.wa.edu.au) to see how we could work together!

## Geraldton Senior College

The lead school in a consortium of Mid West Schools responsible for the GRTTC

Some extra info about the facilities at Geraldton Regional Trade Training Centre (GRTTC):

- Newly built facility with multiple sized rooms including electro technology and science labs
- Ample parking - truck access and forklift onsite
- 20m x 20m indoor secure showcase space that opens to a further 20m x 20m under cover space and outdoor area
- Amenities (office, kitchen, lunch room, toilets)
- Affordable rates and available most days (including evenings and weekends)
- Large attendee capacity - approx 500 persons
- On-site catering option or kitchen area for your own catering

A space with a lot of character, natural light and large enough for:

- Tradeshows - tools, food, any industry!
- Training
- Meetings
- Exhibitions
- Markets
- Demonstrations
- Private Functions

Speak with Cameron Todd (Careers and Vocational Education Manager) or ring him on 08 9965 8453 to see how we could work together!
